Panel Study of Income Dynamics’ Supplement

Second Interview

2009 Survey Instrument

May 14, 2010
INTERVIEW START
IWERCONFIRM. Today is: [Sunday / Monday / Tuesday / Wednesday / Thursday / Friday / Saturday]
   Selected Interview Day is: [IW2_SELECTEDDAY]
Yesterday was: [Saturday / Sunday / Monday / Tuesday / Wednesday / Thursday / Friday]

1. Yes, continue  5. No, stop and reschedule

VOLSTMT. We find that the interview works best if you are in a quiet, comfortable spot where your answers cannot be
overheard. If there is someone in the room with you now, can you find a more private area of your home? You'll need
about 45 minutes to an hour. All set?
Before I begin, I want you to know that your participation in this interview is completely voluntary and confidential. If
we come to any question that you don't want to answer, just let me know and we will skip it and go on to the next
question. You can end the interview at any time. The answers that you give will be kept confidential to the full extent
allowable under federal and state law. We are offering you and your spouse each $50 in appreciation for your time
and effort answering our questions.

SECTION 1: YESTERDAY DIARY
YST1A. We'd like to find out how you spent your day yesterday, [YESTERDAY].
   Just like last time, I'm going to start by asking you what you were doing starting at 4:00am. Then I'll ask a few more
   questions about the activity, like:
   ♦ how long it took;
   ♦ where you were;
   ♦ who was doing the activity with you, and;
   ♦ who else was there.
   We'll repeat this series of questions until we reach the end of the day.
   If you were traveling, we'll treat that as a separate activity. So, for instance, driving to the doctor would be separate
   from being at a doctor's appointment, and then driving home would also be a separate activity.
   If you were doing more than one activity for the time I ask you about, that's fine. You can tell me more than one
   activity for a given time.

ENTER [1] to continue

1. Continue

YST1B. Just to remind you, sometimes people want to know how much detail we are looking for.
   Just like last time, if you tell me you worked from 9 to 5, I may ask you to break that down for me, for example, into
   having meetings from 9 to 11, answering e-mails for an hour until 12, having lunch until 1, and so on.
   Or, if you tell me you cleaned the house all morning, I may ask for more detail, for example, you straightened up from
   9 to 9:30, folded laundry for half an hour, made the beds at 10:00, and so on.
   On the other hand, you don't need to tell me about changing the tv channel or walking from room to room in your
   house. So, somewhere in between.
   And if an activity is too personal, there's no need to mention it.
   Ok? Let's begin.
